

TODAY

specially written for the Sing Together Choir at the Sage Gateshead, January to April 2016
Full Score

*In simpler times, when days seemed longer,
Today seemed like a lifetime away.
Yet today is always with us,
A collection of moments set down as memories,
Not always recalled but always there.
Don't wait for future todays.
Take that chance, make that call, create that moment.
Your todays are yours. Today.
Breathe deeply. Stand in the sun. Feel the wonder of life.
Create your memory. And live*
